

Charla Hathaway Presents

# *Naked at My Age*

**"The most incredible, shame-busting, heart-opening performance ever."**

**~~Annie Sprinkle, erotic educator**

***Charla Hathaway will surprise you. Becoming a sex worker at 55 was not in the cards! Fraught with difficult choices, her willingness to explore the World's Oldest Profession leads to risk, lust and... healing.***

***She will seduce you with vulnerable stories from her 20-year pioneering career as Erotic Muse. Back from her 2023 Australia/New Zealand tour, awarded 'Spirit of the Fringe' in Adelaide, award winner Portland's Fertile Ground, and sold-out run at the Vancouver Fringe 2004, the Passionate Fairy Godmother, armed with a feather boa and Invisible Rope, will tie you up and Mae-West-you-over within the hour! Joining Charla in Amsterdam, produced by Xaviera Hollander Sex Rebels in Your Lap***

"Watching Charla perform is like witnessing an expert markswoman at a skeet shoot—flushing out, taking aim, and shooting down 'clay pigeons' of sexual shame. POOF! Gone into thin air!"

**-Dinah Urell, Kala Cabaret Theater**

"I've been a sex-positive activist for over ten years. I've read the books, joined the clubs, done my own shows; Naked is the end of the rainbow for me. Well done, Sister. You are an inspiration to all."
